1983 Tiger Football Outlook

by Bob Davidson, Sports Editor, *Hays Daily News*

Jim Gilstrap is a football coach by trade — not a carpenter nor architect. Nonetheless, he is keenly aware of the rebuilding job he faces with his Fort Hays State University Tigers in 1983.

After compiling their second consecutive winning season last fall (6-3-1) — the first time since the 1966-67 campaigns — Gilstrap and Co. know they have some big gaps to fill if they hope to make it three winners in a row.

Gilstrap and his staff must find replacements for eight offensive and eight defensive seniors, who used up their eligibility after last season. Included among the list of missing starters is All-America wide receiver Tony Workman; split end James Davis, who signed with Houston Oilers; defensive end Harold Dumas, who is now a Miami Dolphin; honorable mention All-America punter/defensive back Ron Johnson; tailback Jeff Briggs; and quarterback Mike Moore.

The Tigers also lost senior returning defensive tackle Toby Boydston, who was forced to quit football because of reoccurring knee problems.

Still, Gilstrap is optimistic.

"We lost 16 good football players, but we are by no means bankrupt," said Gilstrap, who enters his third year at the Tigers' controls.

We've got some talent coming back and we've brought in some kids that are good football players. We think they'll fit in immediately."

Gilstrap is expecting a squad of 90 to report Aug. 13 when the Black and Gold opens its pre-season workouts.

"We're very happy with our recruiting and feel it was successful," Gilstrap said. "We'll be a young team that we hope will get better as the season goes along."

"When spring ended, the defense was ahead of the offense. It made a little better progress. We expect our defense to be good in our league."

Gilstrap has four areas of concern — quarterback, the offensive line, wide receiver and the defensive secondary.

Perhaps the most scrutinized area of FHSU's reconstruction will be at quarterback, where sophomore Robert Long will take over.

Long was the only signal caller to participate in spring workouts and was given an intense crash-course in quarterbacking under the close supervision of the Tigers coaching staff.

"Robert has the talent to be real good," Gilstrap said. "But, we've got to bring him along on a solid foundation."

"He's got the poise and athletic ability to be one of the better quarterbacks in our conference. At the same time, we have to remember he's a sophomore."

Long, a native of Macon, MO., completed 17-of-38 passes last fall for 293 yards and four touchdowns.

Backup support will be provided by one of two standout freshman quarterbacks signed during the winter — John Tacha of Norton and Victoria's Jeff Miller.

The second area of concern is the offensive line, where three starters have moved on.

Senior tackles Richard Lowe and Paul Lorenson — a pair of 240-pound workhorses — return along with junior Cecilio Balderrama. Finding replacements at center and both guard slots is one of Gilstrap's top priorities.

Junior Pat Martin is slated for duty at center and will be backed up by Garden City Juco transfer Derreck Newsome and Hays sophomore Greg Flax.

One guard position will be manned by senior Mark Witte, who was successfully

moved from nose guard during the spring. The other spot is up for grabs between sophomore John Phillips and Hutchinson juco transfer Roger Linder.

The third problem area, to a lesser degree, is wide receiver where Workman, Davis, Steve Wagner and tight end Tim Graber were lost.

The flanker slot appears solid with sophomores Bob Clay, Ralph Humphrey and David Linn all in the running for a starting berth. Clay had an outstanding spring while Humphrey fashioned a season-best 24-0 distance in the long jump for the FHSU track team.

One of the three flankers may be moved to split end along with freshman Mark Adair. Freshman standout Kelly Barnard from Norton will also see duty along with classmates Barry Steffen (Pawnee Heights) and Jay Simmons (Highland, Ind.).

Tight end Clay Manes, who caught eight passes for 102 yards two touchdowns last year, will more than adequately fill the tight end hole as he moves into the starting lineup this fall.

The tailback position appears solid, led by returning junior starter Marty Boxberger. Boxberger was the Tigers' leading rusher last fall with 528 yards. He also scored two touchdowns.

Backing up Boxberger will be junior college speedster Terry Thomas from Grand Rapids (Mich.) Community College.

Lee Walker, a sturdily built transfer from Highland juco, will take over the fullback duties replacing Chris Honas who has been moved back to linebacker, Dodge City juco transfer Monty Bechard and McCook, Neb., freshman standout Kevin Kier will provide backup.

Highly-touted Lincoln High School sensation Sam Holloway, who will be a freshman, will see duty somewhere in the backfield, according to Gilstrap.

Defensively, the Tigers return three starters, led by Honas. Also returning is senior cornerback Tracy Harris and senior linebacker Darryl Dumas.

Honas, who will be a junior, was a starter at linebacker two years ago but played fullback last year. He was the Tigers' second leading rusher, gaining 347 yards and scoring two touchdowns.

"Chris fit in like he'd never left," Gilstrap said. "He's a natural. He has all the talent necessary to be a pro prospect."

Dumas, who started in 1981, returns after sitting out a year due to an injury. Darryl is the twin brother of Tiger standout Harold Dumas. Senior Brad Wilkinson will also see plenty of work.

Harris is the lone returnee in the defensive backfield, but the Tigers appear to have filled in the gaps nicely.

Joining the speedy Harris will be sophomore cornerback Scott Morehead. Junior Pat Poore will open at free safety, while Dodge City juco transfer Mark Deterding — the brother of former Tiger defensive lineman Bruce Deterding — and senior Vernon Dozier will battle for the strong safety spot. Dozier played for FHSU two years ago, but sat out last season.

Four players are in the running for the two starting defensive end jobs, including seniors Rusty Cole and Rene Ford and junior college transfers Steve Clowes from New Mexico Military Institute and Dodge City juco's Mark Brzon.

The defensive tackle positions will be manned by senior Tim McCarty, 240 lb. transfer from Memphis State, and Butler County juco transfer Dan Beaty (230).

The kicking game is in the capable hands of senior Mike Ellsworth, who's been booting the ball for FHSU the past three seasons. Ellsworth connected on 17-of-20 extra points and 9-of-14 field goals last season. Howard Putter will back him up.

Johnson, who averaged 39.2 yards a punt last season, will likely be replaced by Long. Long averaged 41 yards a kick last fall for the Tiger junior varsity. Ellsworth and freshman Ron Sturgeon may also see some duty.

Junior Max Wyler will open at nose guard and will be pushed by John Gambina, a transfer from Moorpark (Calif.) juco.

Tiger Coaching Staff ...

Jim Gilstrap ... Head Coach

Jim Gilstrap enters the 1983 campaign as one of the Tigers' most successful football coaches in recent history. Under his guidance, FHSU has posted back-to-back winning seasons (1981 = 6-5; 1982 = 6-3-1) which is a feat that hadn't been matched since 1966.

The popular South Bend, Indiana, native came to Fort Hays State in 1980 as an assistant coach. In 1981 Gilstrap was promoted to head coach, replacing Bobby Thompson. In the transaction, Gilstrap became FHSU's 16th head football coach.

Prior to coming to FHSU, Gilstrap served two seasons as offensive line coach at Western Michigan. He also has coaching experience at Kansas State, Edinboro State, Illinois State, Case Western Reserve, and Culver Military Academy. The past summer he was selected to coach the defensive line of the Saskatchewan Roughriders in their pre-season camp.

Gilstrap holds a Masters degree in Education from Southern Illinois and his Bachelors degree from Western Michigan in English and Physical Education.

Meet the Tigers ...

DAN BEATY

6-3 — 240 — Jr. — DT — Silver Lake, KS

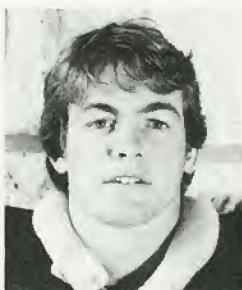

Joins FHSU after playing two seasons at Butler Co. Juco in Eldorado ... was recruited to help rebuild the Tigers' defensive line in '83 ... Dan is a likely candidate to see considerable action at a tackle position ... is a fine addition to the defensive unit and is expected to make great strides in 1983.

MARTY BOXBERGER

5-10 — 170 — Jr. — RB — Russell, KS

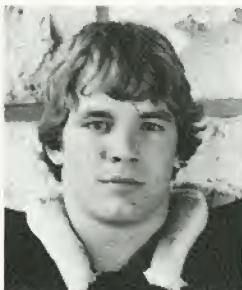

One of the pleasant surprises in the Tiger offensive backfield last season ... converted from a defensive back to lead the team in rushing in 1982 ... carried the ball 119 times for 528 yards, a 4.4 average and 2 touchdowns ... he caught 13 passes for 219 yards and also completed 4 of 7 passes for 91 yards and 2 touchdowns ... has the ability to garner post-season honors in 1983.

RUSTY COLE

6-0 — 195 — Sr. — DE — Moran, KS

A probable candidate to man one of the two vacant defensive end positions ... Cole saw action in four games last season recording 10 solo tackles ... he also tallied a QB-sack and 2 tackles for a loss ... given the chance to play, Rusty will strengthen the defensive attack of the Tigers this fall.

MARK DETERDING

6-0 — 185 — Jr. — DB — Belleville, KS

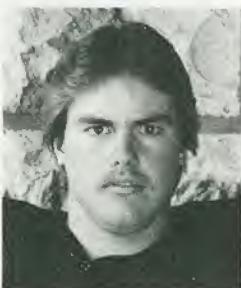

Transfer from Dodge City Juco ... is in the running for the starting nod at strong safety ... will provide the Tigers with some immediate relief in the secondary ... older brother, Bruce Deterding, was an outstanding defensive lineman for the Tigers ... Mark is a skilled athlete and a Tiger you'll want to watch for in '83.

DARRYL DUMAS

6-2 — 220 — Sr. — LB — Crosby, TX

Returns after a one-year injury lay-off for his final season with the Tigers ... is expected to draw a starting role at linebacker ... was the Tigers' third defender two years ago as a junior, recording 53 tackles ... that season he also led the defense in tackles for a loss with seven to his credit ... twin brother, Harold Dumas, closed out an outstanding career for FHSU last season and was most recently signed as a free-agent with the Miami Dolphins.

MIKE ELLSWORTH

6-0 — 190 — Sr. — K — Carrollton, TX

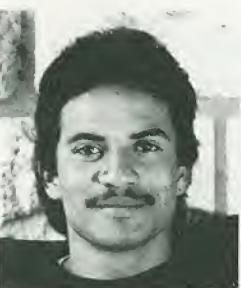

Has been in charge of the Tiger kicking game the last three seasons ... already holds five FHSU school records going into his senior year ... in 1982, Mike connected on 17 of 20 extra points and 9 of 14 field goals ... his longest career field goal covered 48 yards ... has proven he can handle FHSU's kicking chores with ease ... stands a great chance of receiving post-season honors and adding to an already-impressive list of season and career records.

RENE FORD

6-0 — 195 — Jr. — LB — Grand Island, NY

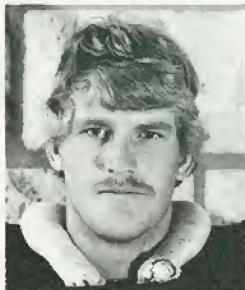

Saw limited action last season, but will be called on more frequently in '83 ... in six games last year, Rene recorded 10 solo tackles and assisted on two others ... likely to make great strides for the Black and Gold as he sees more playing time this fall.

TRACY HARRIS

5-10 — 160 — Sr. — DB — Roswell, NM

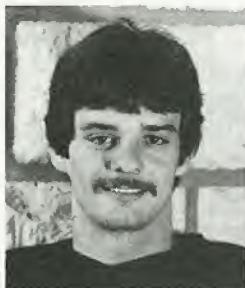

Harris is the lone returnee in the defensive backfield ... as a junior, he recorded 33 solo tackles and assisted on 12 others ... also to his credit, he recovered one fumble and caught two interceptions ... Tracy also doubles as a return specialist for the Tigers ... in 1982 he averaged 28.7 yards per punt return and 19.4 yards per kick-off return ... will provide the secondary with much-needed speed and experience.

CHRIS HONAS

6-3 — 200 — Jr. — LB — Ellis, KS

Will return to the Tiger defense in '83 after having played fullback last season ... returns as a 2-year starter after having played linebacker his freshman season ... handled the transition well last season to become the Tigers' second-leading rusher, gaining 347 yards on 95 carries and scoring two touchdowns ... possesses great natural ability and has all the talent to gain post-season honors in 1983 ... will be one of the top linebackers to play in the CSIC this season.

ROBERT LONG

6-2 — 175 — So. — QB — Macon, MO

Inherits the starting role as quarterback this fall ... is only a sophomore, but has both the poise and athletic ability to be one of the top quarterbacks in the CSIC ... as the Tigers' back-up in '82, Long completed 17 of 38 passes for 293 yards and 4 touchdowns ... on the ground, he averaged 4.3 yards per carry with a long gain of 14 yards ... will most likely inherit FHSU's punting duties as well ... averaged 41 yards per punt last fall for the Tiger Junior Varsity Team.

RICHARD LOWE

6-5 — 245 — Sr. — OT — Bovina, TX

Returning starter who earned post-season honors last season from his offensive tackle position ... will be called upon to lead the Tigers' offensive line in '83 ... a 245-pound workhorse who will be in line to add to his list of honors and accomplishments later this fall.

PAUL LORENSON

6-4 — 245 — Sr. — OT — Dodge City, KS

Will provide the Tiger's offensive line with stability and experience from his tackle position ... has been hampered in the past with a knee injury, but is expected to be back at full strength for the 1983 campaign ... a likely candidate for post season honors from his tackle position come late November.

CLAY MANES

6-3 — 215 — Jr. — TE — Ellsworth, KS

Moves into the starting lineup this season at tightend ... has gained valuable experience the past two seasons playing in a reserve role ... caught 8 passes in '82 for 102 yards and 2 touchdowns ... averaged 12.8 yards per reception and recorded a long gain of 30 yards ... will definitely be a key figure in the Tigers' aerial attack in 1983 ... has the tools to excell at tightend and may very well be in line for post season honors at the end of the season.

TIM McCARTY

6-3 — 245 — Sr. — DT — Concordia, KS

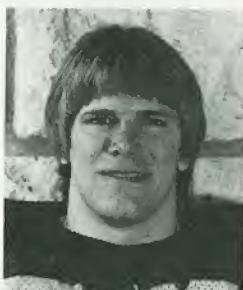

Another transfer who was brought in to give immediate help in rebuilding the defensive line ... comes to FHSU after playing at Memphis State ... should draw a starting role at defensive tackle ... brings both experience and a good knowledge of the game to the defensive unit ... a player you'll enjoy watching in '83.

PAT POORE

6-2 — 165 — Jr. — DB — Stockton, KS

Returns to fall camp as the Tigers' No. 1 free-safety ... has seen action the past two seasons in the secondary as a reserve ... having played in five games last season, Poore tallied 5 tackles and assisted on 2 others ... he also pulled down one interception ... is expected to show good progress with increased playing time in 1983.

MARK WITTE

6-1 — 220 — Sr. — OG — Cambridge, NE

One of FHSU returning starters ... was successfully moved from nose guard to an offensive guard during spring drills ... will provide the offensive line with good leadership and experience ... was a proven player on the Tigers' defensive unit and is expected to be nothing short of that with the transition ... could be in line for post-season honors come late November.

Gerald Tomanek
President

The Number One Fan of Fort Hays State Athletics is Dr. Gerald (Jerry) Tomanek. Dr. Tomanek and his lovely wife, Ardis, are virtually permanent fixtures at Tiger home football and basketball games. The couple also attended many road contests as well.

Since 1947, Dr. Tomanek has been a part of Fort Hays State University serving in several capacities. On January 17, 1976, Dr. Tomanek was named the seventh President of Fort Hays State University. Dr. Tomanek holds two degrees from the University and has his doctorate in Botany from the University of Nebraska.

Several honors have been bestowed on the expert of grassland ecology and range management. The highest of which came in the early spring of 1979 when Governor John Carlin decreed Dr. Tomanek as "Kansan of the Year."

Dr. Tomanek recognizes the need for strong academics and the need for excellent administration in an institution of higher learning. The President knows also the importance that athletics can play in institutional success.

"I am very proud of our total athletic program, and it is an integral part of our total university," said Dr. Tomanek. "Young men and women are very fortunate to participate in intercollegiate athletics and can learn valuable lessons like friendship and teamwork in a way that will enhance their horizons."

Tom Stromgren is in his third year as Director of Athletics at Fort Hays State University.

Lured by a desire to return to FHSU and the "challenge to see Fort Hays State grow into one of the best NAIA schools in the nation," Stromgren was named the Tigers' current Athletic Director in July, 1981.

For Stromgren, the appointment was a triumphant return to the school where his coaching career had ended 10 years earlier. Before coming to Fort Hays State in 1969 as the Tigers' Head Football Coach, Stromgren had earned his Master's degree at the Kansas State Teachers College of Emporia. After leaving the college setting in 1971, Stromgren entered private business and had enjoyed that venture for 10 years.

During the last two years as Athletic Director, Stromgren has been instrumental in implementing the Tigers' Foster Parent and Academic Counseling Programs. In addition, he has overseen the Lewis Field Stadium housing renovations and worked to steadily increase the number of season ticket holders at FHSU.

Always an innovator, Stromgren possesses integrity, enthusiasm, fund-raising skills, a successful business background and a knowledge of Western Kansas, which has enhanced both Tiger athletics and Fort Hays State University.

This is Fort Hays State University ...

Fort Hays State University's tree-lined campus provides students with an attractive educational setting. Let us tell you a little about our University on the High Plains of west-central Kansas.

Our faculty numbers more than 300. More than half the members hold the doctorate or terminal degree in their discipline. The University is supported by about 280 staff members who contribute greatly to the friendly, clean atmosphere at FHSU.

Students have the opportunity here to pursue a career by selecting from 24 departmental offerings, our school of nursing, or from our pre-professional programs. They find that we offer degrees including one, two, four, five and six-year study programs. We offer associate degrees, bachelors and the masters degrees and the specialist in education degree. We offer those degrees in almost everything from art to history to zoology.

Annual enrollment at FHSU is more than 5,000 students. Two-thirds of the student body are graduates of rural Kansas high schools, although the trend of students coming to FHSU from the larger cities is growing.

While quality education is the aim of our university, "all work and no play" is by no means standard policy. Involvement in diverse activities is as important to education as books and studying and that's why FHSU offers a wide range of activities.

If students have a special interest, they will find a way to express it. Instrumental and vocal music groups are open by audition, as are athletic teams, debate, theatre groups, the Tiger Deb Drill Team, and the Memorial Union's Ambassadors hostess group. Students are represented through a government which includes an all-student senate and a student-faculty court.

Departmental and professional clubs offer the opportunity to get involved in areas of study or interest outside the classroom and service clubs are a way students can show concern for the community.

Four national sororities and five national fraternities maintain chapters at FHSU and add to the social, academic and philanthropic activities of student life.

Other activities students may wish to participate in include drama, rodeo, intramurals, musicals, religious activities, and others. As spectators, students can enjoy speakers, mini-concerts, coffee houses, movies, and other entertainment.

The City of Hays and FHSU offer many events for students to attend and

participate in throughout the year. Students and community persons alike enjoy the combined FHSU Homecoming-Hays City Oktoberfest weekend. Oktoberfest features the traditional ethnic foods and drinks (bierochs, kucha, and beer), and offers the opportunity to greet old friends and to make new ones.

Homecoming activities at the University are traditional, featuring dances, a concert, parade, football game, crowning of a queen, and many other fun-filled moments.

Another popular and festive time of the year is early December when the annual Madrigal Dinner introduces the coming of the Christmas Holidays. The musical and entertainment dinner is a traditional sellout.

Several concerts are brought to campus each year by the Memorial Union Activities Board. Among the most recent entertainment groups to

visit were John Cougar, J. Geils Band, Joan Jett, and Hall and Oates.

Other entertainment forms come as speakers, dancers or touring groups or individuals sharing their talents or expertise with the university and community publics.

Fees at FHSU are comparable to other state-assisted institutions in Kansas and considerably less than at most private schools. Fall semester, 1982, fees were \$27.75 per credit hour for residents and \$54.25 per credit hour for non-residents. Persons who enroll in more than 15 hours pay \$3.50 per credit hour more for each hour above 15. Fees do not include the cost of books. Summer sessions fees are the same per credit hour as the regular fees.

FHSU offers two women's residence halls, two men's residence halls, one co-ed residence hall, and married student housing. Students joining Greek organizations have a choice of staying in living quarters at one of the sororities or fraternities or on campus. Students who qualify to live off campus can find apartments within walking distance of the University and women who wish may live off campus in the Clovia House.

About 70 percent of the students at FHSU receive some kind of financial aid. The Office of Financial Aids can generally help persons needing money for educational study.

Hays City ... Hays is a city of about 17,500 persons and is the medical, agricultural, educational, and cultural center for the whole of northwest-central Kansas. There are many fine restaurants and motels, modern business establishments, and numerous activities in Hays throughout the year.

Hays is proud of its past and of its Volga-German Heritage. Famous persons, such as "Wild Bill" Hickok, "Buffalo Bill" Cody, Wyatt Earp, and General George Armstrong Custer, once called Hays home. A tour of the city will recall those infamous days of "rough and tough" Hays City, one of the wildest towns between Ellsworth and Denver.

But, the byword here today is "progress." Hays is a clean, progressive city with sparkling green lawns, hundreds of new homes, well-kept older homes, wide streets (except for traditional Main), a new high school, two golf courses, many tennis courts, a modern library, and many other projects and programs citizens participate in wholeheartedly. The city is ever-growing and ever-changing. You will like the friendliness of this city.

RARICK HALL is the largest state-owned partially solar-heated building and is the newest building on campus.
